G A A

-
- A diagram of a 2D lattice with a black region. The lattice is represented by a grid of points. A black region is shaded in the center, bounded by a vertical line on the left and a curved line on the right. The label 'A' is placed at various lattice points: above the black region, to the left of the black region, and below the black region. The label 'AG' is placed at the bottom right corner of the diagram.
